Welcome! Juneau Parent Bulletin All for Baby Ready for Kindergarten Resources

Welcome!

Big News! AEYC is Developing a Nonprofit Family Center

AEYC was recently awarded \$5M from Senator Lisa Murkowski to build a multi-agency nonprofit family center. This project is a long-held vision of AEYC and the **Juneau Partnerships for Families and Children**, a group of nonprofit and state agencies whose programs support families. The center is being developed to meet the needs of families in the community, with an emphasis on resources for children ages 0-8.

AEYC and the Juneau Partnerships for Families and Children have collaborated around family supports for over 26 years, but services are spread across the community. The partners offer a variety of programs including parenting classes, developmental screenings, kindergarten readiness strategies, early literacy opportunities, family fun nights, mental health consultations, and community networking opportunities. We are excited to bring all of these resources together under one roof to better serve Juneau's families.

The space is envisioned to include, offices, a child care facility, lending library, commercial kitchen and dining hall, meeting spaces for events and trainings, children's art
